

Dear Friends,

The Community Recreation Commission (CRC) is glad to announce we are offering a New Year's Pool Membership Special this year! This is a savings for all of you early bird shoppers and those of you that received Christmas money and want to put it towards something your family can use all summer!

The special rate for the first membership is \$90.00 and each additional family member is \$25.00. Due to increased operating costs for next year, the regular membership fees for 2010 will be \$130.00 for the first member and then \$30.00 for each additional member. The New Year's Special will run until January 30, 2010. Memberships must be postmarked by that date.

Please tell family and friends about the New Year's Special. Also, please let others know that we will NOT be sending mailers this year, and instead be contacting members by the e-mails you provided on your membership forms. If members did not provide an e-mail, then they will only know about memberships from you, the community website, and or the library. The applications may be copied to give to a friend or relative. If you have any questions please contact Sandy Harbour at 462-7340, and or Wendy Russell at 462-9137.

Remember applications are due by January 30th, 2010.

Your Friends,

Community Recreation Commission
